Adding Driver Details

Why do I need to add a driver to appointments?

Assigning drivers to appointments will allow future trucker experience enhancements which will be communicated at a later date. The new Drivers tab will also allow you to view the truck driver and Safety Induction status to avoid turnaround at the Inbound gate.

How do I add a driver?

How do I merge appointments?

TERMPoint App

The new TERMPoint Truck Appointment App for mobile devices provides convenient, mobile access to truck appointments at APM Terminals.
